Scale 1:1

Легких стежков!

Вышивать можно и на водорастворимом стабилизаторе, и на отрывном. Отрывной стабилизатор потом хорошо убирается. Расход ткани по размеру мешочка.

Easy stitches!

You can embroider on either a water-soluble stabilizer or a tear-off one. The tear-off stabilizer is then well removed. Consumption of fabric according to the size of the bag.
