Applique on an embroidery machine

Pay attention this is a universal instruction.

This instruction will work with most of my Applique. So the patterns in the photo may be different (I'm sorry).

<https://youtu.be/1Pc-8a0-5i8> - video manual for my Applique.

Download the archive to your computer. Extract the files from the archive. Download file to your embroidery machine in the way you are used to.

Hoop tearaway or cutaway stabilizer of medium density together with the main fabric.

Stitch Color 1 - the placement line for design

Put the fabric face up.

Stitch Color 2 - zigzag for trimming

Cut off the excess fabric close to the stitch trying not to cut the thread.

Stitch Color 3
