Materials Needed

Stiff felt 2 pieces 4x4 inches

1. Hoop a piece of tearaway stabilizer. First run the placement stitch which shows you where to place the fabric.

Remove the hoop from the machine. Do not unhoop!

2. Place the piece of fabric faced up (you can spray the backside of the fabric with adhesive spray first) and do the tack down stitch.
3. Return the hoop to the machine and embroider all the inside decoration of the design.
4. Remove the hoop from the machine. Do not unhoop! Place the piece of fabric on the back of the hoop, return the hoop to the machine and do the tack down stitch.
5. Remove the hoop from the machine, unhoop and tear away the stabilizer.
6. Cut additional fabric away and around corners to assist with round edges.

For a better understanding we highly recommend this short video tutorial showing you how we make them.
