 	12: Black Sulky Rayon 1005 873 stitches, 2.3 yards		
 	13: Powder Blue Tint Sulky Rayon 1151 382 stitches, 1.8 yards		
 	14: Daffodil Madeira Poly 1623 108 stitches, 0.9 yards		

ITH Unicorn Patch

A Hug Longer Digital Design

<https://www.facebook.com/NothingButLoveDigitalDesigns>

For this project you will need:

- Tear Away stabilizer. I like to use Badge Master but others will work as well
- Embroidery thread
- A piece of heavy cotton fabric (approx 4x4)

1. Hoop stabilizer and run the first color for the outline of the patch. Once it stitches cover it with a piece of fabric pretty side up.
2. Color two will tack it down just inside of the placement line, trim.
3. The third color will stitch out the merrowly stitch around the outside of the patch.
4. The next 15 colors will stitch out the words as well as the unicorn.

Cheat Sheet Basics

A Hug Longer Digital Design

<https://www.facebook.com/NothingButLoveDigitalDesigns>

Like most things Embroidery takes practice. I have written this cheat sheet to help you determine why your design did not stitch as it should have. Even those of us who have been doing embroidery for a very long time can benefit from these reminders. All Hug Longer designs have been tested prior to release.

My Embroidery file will not fit in the hoop or will not load in my machine

- Have you tried to rotate the file from portrait to landscape or visa versa?
- Verify you have the proper size and format loaded. Is the file unzipped?
- Did you resize the file? Or add to the file?
- Have you tried re downloading the file?

My stitches are not in the correct places

- Is the hoop free moving without obstructions in the way?
- Are you using proper stabilization?
- Is the thread moving freely, have you tried rethreading?
- Does your machine have proper tension for the thread and bobbin?
- Did you properly hoop your item (not too tightly)?
- Is your fabric too dense for the design?
- Does your machine need service?
