Instructions

step 01:

Place your faux leather or fabric on the embroidery frame run the tie stitch to secure it.

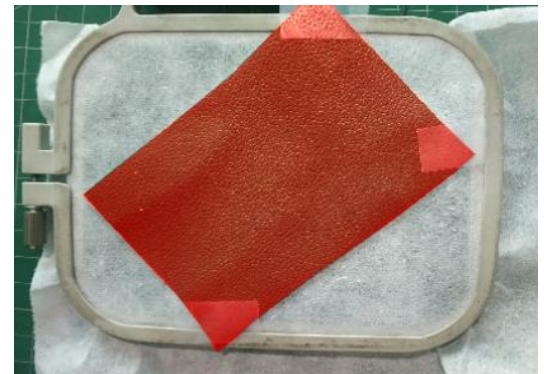

step 02:

Execute the following embroidery steps, depending on the design, when the embroidery of the center motif is finished, we will proceed to add the lower portion of the key ring.

step 03:

When your embroidery design (image, letter, personalized name) is finished before the last final step, turn the hoop over and glue the piece of fabric for the last step of fixing, and execute the embroidery of the final fixing outline.

step 04:

Remove the hoop and cut with scissors near the points.
your design is complete.
