6.		844	C799	Silver	Royal

The design features a large heart shape formed by a thick black line. A stethoscope is wrapped around the heart, with its chest piece positioned at the bottom right. To the right of the heart, there is a cluster of embroidered elements: a large yellow flower with a black center, several green leaves, two small pink hearts, and a small pink flower with a yellow center. The entire design is set against a white background.
