The image shows a square embroidery design grid. A central geometric pattern is rendered in red lines. The pattern consists of a central vertical axis with symmetrical, zig-zagging lines extending horizontally and diagonally, creating a complex, lattice-like structure. The grid is bounded by a vertical red line on the left and right, and a horizontal red line at the top and bottom. Small green 'S' and red 'E' markers are placed at the corners of the grid.

The image shows a square embroidery design grid. The grid is composed of red lines forming a repeating geometric pattern of interlocking shapes. A central crosshair is drawn in red, with a vertical line labeled 'S' at the top and 'E' at the bottom, and a horizontal line labeled 'S' on the left and 'E' on the right. The design is centered within the grid.
