Title:

A stylized illustration of a garden scene with several daisies and three bees. A network graph is overlaid on the scene, with nodes located at the centers of the flowers and at the positions of the bees. The nodes are connected by a series of thin black lines, representing a network or communication system. A red coordinate system is overlaid on the image, with a vertical line labeled '1' at the top and a horizontal line labeled '2' on the right. The bees are depicted with yellow and black stripes, and the flowers have yellow centers and white petals. The overall style is clean and modern, with a focus on geometric shapes and lines.
